Congregational Church Notes.

The Woman's Missionary society met
with Mrs. H. B. Smith Tuesday after-
noon. There was a good attendance
and an interesting meeting.

The organ recital Tuesday evening
had large patronage and all the num-
bers on the program were well received.

Painters will begin work in the
vestry this week.

Prayer meeting this evening will be
held in the vestry. The subject will
be, "God's Love toward Us." This
subject should have been used the first
Sunday in August.

Sunday morning the pastor's sermon
had to do with religion and the in-
dividual. The sermon next Sunday
morning will be from the same text
but will deal with, "Religion and
Society."

The attendance at the Sunday school
indicates a healthy interest. Topic for
next Sunday lesson: "Jealousy and
Envy Punished." Classes for all ages
already organized and a cordial wel-
come to all.

Methodist Episcopal Church Notes.

Sermons by the pastor at 10.30 a. m.
and 7.15 p. m., followed in the morn-
ing by the Bible school. All members
are urged to be present. Last Sunday
the attendance was fine, but if all are
there whose names are on record, the
number will be considerably increased.

Junior League at 8 o'clock. Epworth
League at 6.30 p. m. Leader, Mrs.
Cole. Topic, "Forty Years of Missions
in Japan."

The choir sang a beautiful anthem
last Sunday morning with solos by
Mrs. Kinney and Carl Willey.

Prayer meeting Wednesday at 7.30
o'clock.

The pastor is attending the District
Association meeting at Island Pond.

ORLEANS

Fred E. Scott of Boston is visiting
his parents, Mr. and Mrs. B. A. Scott.

Mrs. Lois Cook Allbee of Concord,
N. H., visited Mrs. F. M. Dean this
week.

Mrs. Ida Vatter of Lawrence, Mass.,
is visiting her sister, Mrs. Arthur
Vatter.

A social dance will be held at Mul-
laney's hall, East Albany, Friday
evening.

Mrs. Harold Searles and son, Rolf,
spent Sunday with her mother, Mrs.
F. M. Dean.

Mrs. Jerre Marston entertained her
Sunday school class at her home
Monday evening.

There were many people from Barton
and Lyndonville to attend the organ
recital last night.

The veneer mill has been shut down
partially on account of repairs being
made on the fire box of the boiler.

Miss Hazel Ball has finished work
for the J. G. Turnbull Co., and accepts
a position with True & Blanchard at
Newport.

U. S. Saunders of Piermont takes
John Mullavey's place in the B. & M.
freight station during his absence on a
vacation.

The carpenters have commenced to
remodel the old bank block. Rooms
overhead are to be arranged for the
Orleans club.

in F. M. Allchurch's store Tuesday at
7.30 p. m. Important business to be
transacted and all members are
requested to be present.

At a meeting of the Orleans club in
the band rooms Wednesday evening,
Oct. 1, it was voted that the commit-
tee hire the rooms in the old bank
block for the club. Election of officers
resulted as follows: President, C. S.
Skinner; vice-president, L. M. Kinsley;
treasurer, R. W. Eldridge; secretary,
A. O. Austin. Board of managers, E.
E. Doe, M. M. Taplin, F. C. Brown,
J. G. Turnbull.

The organ recital held last night at
the Congregational church was a
success in every way. The program
was a mixture of sacred and concert
music well adapted for the occasion.
Mrs. Richmond's work at the organ
was much enjoyed and Mrs. Irvine
received many encores. The combina-
tion of organ and piano was delightful
as given by Miss Jocelyn and Miss
Lothrop. The recital was one of our
best entertainments and concerts of
its kind should in the future be well
patronized. The tone of the organ
is well adapted for the church and in
combination with the piano, wonderful
music can be rendered.

A Word to Parents.

The practical benefit and valuable
educational features of the school
savings bank system in public schools
should be known to every parent and
guardian of children.

Please take notice that wherever the
simple system of taking care of the
scholar's pennies, which would other-
wise be needlessly expended for need-
less sweets and the like, is used in
the schools that the children are
happier, more self-reliant and have
better habits.

The money the children deposit
through the school savings banks in
public schools is made a valuable
object lesson; they have the receipt
cards and the bank books showing its
amount. They can check it out,
receive interest on it and thereby learn
initial business methods. Habits of
thrift, industry and self-responsibility
are formed, generosity cultivated,
waste, intemperance and other vices,
resulting from careless extravagance
with money and ignorance of its better
uses and accumulative power, guarded
against.

The school authorities are usually
glad to adopt this popular branch of
teaching if the patrons of the school
desire, and no parent can afford to
neglect asking this helpful instruction
for his child.

The school savings system is used
in most of the schools of Europe and
in only about 1,500 schools of the
United States. The money thus col-
lected through the school facilities is
placed in bank to the scholar's credit,
and the boy or girl on leaving school
has often a bank account of \$200 or
\$300, with a definite knowledge of
thrift that is beyond estimate.

The best results will follow when
your child deposits money earned by
his own labor or self-denial. Parents
are urged to remember that the object
of this endeavor is to teach the chil-
dren thrift, industry, prudence and
wisdom. We have no fear of develop-
ing penuriousness. It is only those
who have, can give. Habits of thrift
are an insurance against the waste of
money and the vices that come from
its careless expenditure.

The success of the school savings in
the school depends much on the co-opera-
tion of the parents with the teachers
and the school board. We solicit your
help and interest.

Philadelphia, Pa.

The matter of establishing this
system is very much simplified by the
bank furnishing the supplies which
they are very willing to do.

Any information regarding the
system will be gladly furnished by

Mrs. A. R. Cowles,
Barton, Vt.,
State Superintendent of School Sav-
ings Banks for the W. C. T. U.

Good Time to Paint.

An open spell, when it does not thaw
and freeze much, is a first rate time to
paint the house or barn. The paint
will dry in more slowly, there are no
flies to bother, and the job will be a
good one all around.

Season For Repairs.

Build a shop, get some tools and let
your boys learn how to use them. Dur-
ing bad weather, when work cannot
be done in the fields, repairs can be
made and the implements kept in good
working order.

Cement Caution.

Before laying a cement stable floor
care should be taken to have the
ground below properly drained and the
foundation well constructed.
